

**Janet Schwartz**  
**Operations Director**

Janet Schwartz has over eleven years of experience in management and consulting in the nonprofit, public, and private sectors. Janet is a leader in operations management - improving organizational effectiveness through building resilient business processes and collaborative teams whose work is aligned to strategic goals. She is also an experienced project manager having supported a broad range of projects from federal IT system modernizations to nonprofit program re-designs.

Janet is a certified Project Management Professional (PMP®) and is continuing professional development and encouraging career development in others. She holds a Bachelors in Music, and practices this craft in her personal life, singing in an internationally competitive acapella chorus and teaching her young daughter how to sing along.
