

Sheila Petaccio
VA Account Manager

As a business development and capture management professional, Sheila has 20 years of experience managing, delivering and selling Information Technology solutions, both in the private and public sectors, with a strong focus on Healthcare IT. She spent seven years at Electronic Data Systems (EDS), and worked for BlueCross BlueShield at the state and federal levels. She has supported federal programs within the Department of Veterans Affairs (VA), Department of Labor (DOL), and Department of Energy (DOE) – primarily in support of program/project management, change management, and digital transformation.

Sheila has a Bachelor's of Business Administration from Temple University, with a double major in Risk Management & Insurance, and Finance, and a Master's degree in International Affairs from the Catholic University of America. She studied Spanish and Arabic in Spain, and worked in IT in India. Sheila is a member of Women in International Security (WIIS).
