

**Julianna Driskel**  
**Operations Program Manager**

Julianna is a California native with a talent for supporting cross-functional teams to identify efficiency opportunities through data and relationship building. Before joining M Powered Strategies and the world of Federal IT Consulting, she provided Operational support to consumer brands including Fender, PayPal and Keurig.

A graduate of Cal Poly San Luis Obispo with a B.S. in Graphic Communication and a triple minor in Food Science, Art History and Packaging, Julianna strongly identifies with MPS's culture of curiosity and dedication to service.
