

Patrick Hendrickson Account Manager

Patrick has over a dozen years of professional experience in public, private, and non-profit sectors leading IT projects with a focus on stakeholder management, risk management, cybersecurity maturation, and agile methodologies. Patrick has advised executives and federal clients at all levels of government and aims to enhance organizational effectiveness, or 'grease the gears of government', through a people first approach.

Patrick hails from the Tubing Capital of Michigan. He has an MA in International Law and the Settlement of Disputes from the United Nations' University for Peace and a BA in Political Science from Indiana University.
